SUMMIT 2021

HEALTHY, VIBRANT COMMUNITY AWARD

Milnor, North Dakota

Healthy, Happy Community

Milnor has started and completed several projects in 2021 that improve the quality of life for our residents. We have created a mural on Main Street that celebrates the Sheyenne National Grasslands - "Gateway to the Grasslands" that improves the visual aspect of our town with warmth, color, and beauty in our downtown area. We also put in a walking path and wildlife observation deck on Storm Lake (west side of town) to improve quality of life with exercise and the enjoyment of the North Dakota outdoors.
