Building Efficiency Projects

Energy Education

Energy Workforce Development

Energy Planning

The mission of the State Energy Program is to provide leadership to maximize the benefits of energy efficiency and renewable energy through technology deployment, communications and outreach activities, and access to new partnerships and resources.

While any organization may apply to the program, priority is given to schools, political subdivisions, state agencies and non-profits. The amount of funding available varies from year-to-year. Typically, awards range from \$5,000 to \$50,000.

The program year runs from July 1–June 30.

## APPLICATION PROCESS

Applications are accepted at any time. However, in order to guarantee consideration for the upcoming program year, applications or a letter of intent detailing a description of the proposed project and budget must be received by March 1. The application form can be found at [ndgov.link/SEP](https://ndgov.link/SEP).
