AMERICORPS

AmeriCorps members meet pressing local needs across North Dakota, making a lasting impact in communities while gaining valuable skills and experience to advance their careers.

AmeriCorps members serve in one of three programs: AmeriCorps National Civilian Community Corps (NCCC), AmeriCorps state and national and AmeriCorps Volunteers In Service To America (VISTA). All programs engage volunteers at locations across the country through nonprofits, schools, public agencies, tribes, and community and faith-based groups.

- AmeriCorps State and National members engage in a diverse range of service projects at local and national organizations to address critical community needs of disaster services, economic opportunity, education, healthy futures, environmental stewardship and veterans and military families. Most AmeriCorps grant funding goes to the North Dakota State Commission on National and Community Service, the Governor-appointed State Service Commission, which in turn awards grants to organizations to respond to local needs.
- AmeriCorps VISTA taps the skills, talents, and passion of Americans of all ages to support community efforts to overcome poverty.
- AmeriCorps NCCC strengthens communities and develops leadership skills by contributing to public safety, environment, and disaster projects through direct, team-based service. Federal Emergency Management Agency (FEMA) Corps, a unit of NCCC, focuses solely on disaster preparedness, response, and recovery.

In exchange for their service, AmeriCorps members earn a Segal AmeriCorps Education Award that can be used to pay for trade school, college, graduate school, or to pay back qualified student loans. Since 1994, more than 2,400 North Dakota residents have served approximately 2.7 million hours and earned education awards totaling more than \$6.2 million.
