## NORTH OF NORMAL

Fargo is not a *normal* place to visit - it's not mountains, it's not tropical beaches, and it's not swarming with tourists. Smack dab on the border of Minnesota and North Dakota and prairie as far as the eye can see, you'll find a hidden gem of nightlife, food, art, and a herd of wildly friendly people to welcome you. If you're looking for a new kind of adventure, something a little outside of the norm, head north. North of Normal.

# GETTING HERE!

## > Getting around:

There's a saying in Fargo that it only takes about 10-15 minutes to get anywhere. While that is basically true, we do recommend utilizing a car or the city bus to get from place to place. We have **Uber** and **Lyft** available as well as several traditional **Taxi Companies** (pg. 48). You can also rent a car right at **Hector International Airport** or at many of the **Car Rental Companies** (pg. 48) throughout the area. Fargo also has a bus service called **MATBUS** that runs throughout the metro area with stops at many of the major destinations.

### > What's the club all about?

Travel Ambassadors at the Fargo-Moorhead Visitors Center noticed a trend in travelers looking to visit all 50 states. North Dakota was often the last to be checked off their list! So, from what one might say is an embarrassing fact, the Best for Last Club was born.

Since 2013, the Best for Last Club has become a hit with travelers wanting to visit all 50 states.

Shoot, people have started to purposely "save" their visit to North Dakota for last or changed their travel plans in order to visit the Fargo-Moorhead Visitors Center and be welcomed into the Best for Last Club.

### > How do I join the Best for Last Club?

Stop by the Fargo-Moorhead Visitors Center and mention to the Travel Ambassadors that North Dakota is your 50th state... they'll help you celebrate with a free t-shirt, official certificate, and an occasional round of applause from staff members.

## > Woodchipper in Fargo

2001 44th St S, Fargo

Although what you see on TV wasn't actually filmed in Fargo, North Dakota, you can still visit a piece of cinematic history – the original Fargo Woodchipper movie prop (and its stunt double) – at the Fargo-Moorhead Visitors Center.

Just off I-94, the Fargo Woodchipper sits ready and waiting for a photo op. The friendly Travel Ambassadors will take your picture as you pretend to push a fake leg into the Fargo "chipper".

Beyond getting a picture with the Woodchipper from Fargo – which is signed by the Coen Brothers – you can also see other memorabilia from the movie, including a signed copy of the original script.

## > Red River Zoo

4255 23rd Ave S, Fargo

Open year-round, the Red River Zoo specializes in the care of some of the rarest cold climate species on earth.

All the animals come from similar climate conditions to the Red River Valley... so those camels you see actually love the cold!

Stop by the colored pencil fence – made up of over 1,000 large colored pencils – and ride the antique 1928 carousel during your visit.

## > Fargo Theatre

314 Broadway N, Fargo

Built in 1926 and beautifully restored, the art deco interior serves as an art house theatre. Beyond movies, it's also one of Fargo's top venues for concerts, performing arts, and other live events.

Two hidden gems sit inside: **Wood Chip Marge**, a wooden statue carved in the likeness of Marge Gunderson from the 1996 film, *Fargo*, and **The Mighty Wurlitzer**, a 1926 pipe organ which scored silent movies and is still played today.

## > Plains Art Museum

704 1st Ave N, Fargo

The largest accredited art museum in North Dakota, Plains Art Museum is located in a renovated International Harvester warehouse.

This free art museum's permanent collection has over 4,000 national, international, and regional works, including Native American art.

Reserve a guided tour for just \$4 per person and have a Plains Art educator show you around or wander at your own pace.

## > Downtown Fargo

Fargo's main cultural district fills the most historic section of the city. If you're looking for uniquely local, Downtown is the place to go with tons of shops, local restaurants, and bars lining the streets.

Start your day with craft coffee (pg. 42), then explore local art, get your picture with the Fargo Theatre marquee, buy souvenirs, and shop at local boutiques (pg. 44).

Cap the night off with bustling nightlife, live entertainment, and perfectly crafted drinks.

## > Bonanzaville, USA

1351 Main Ave W, West Fargo

Named after the large Bonanza farms that dominated the prairie of the Old West, this pioneer village has 40+ buildings that have been relocated here from across the region.

Wander through Fargo's first house, a country schoolhouse, a saloon and hotel, a prairie church, and a fully-stocked mercantile store. You might even get to talk to a docent in period dress about what life was like on the prairie.

Besides the pioneer village, Bonanzaville has over 400,000 artifacts from railroad gear to vintage aircraft to an entire building full of hundreds of antique organs.

Want an immersive experience? Join one of their **murder mystery dinners**, or explore the pioneer village after dark on a **paranormal tour** of Bonanzaville.

However you decide to visit, you'll gain valuable insight into our earliest settlers, how they lived, what they possessed, and the challenges they faced.

## > Hjemkomst Center & Replica Norwegian Stave Church

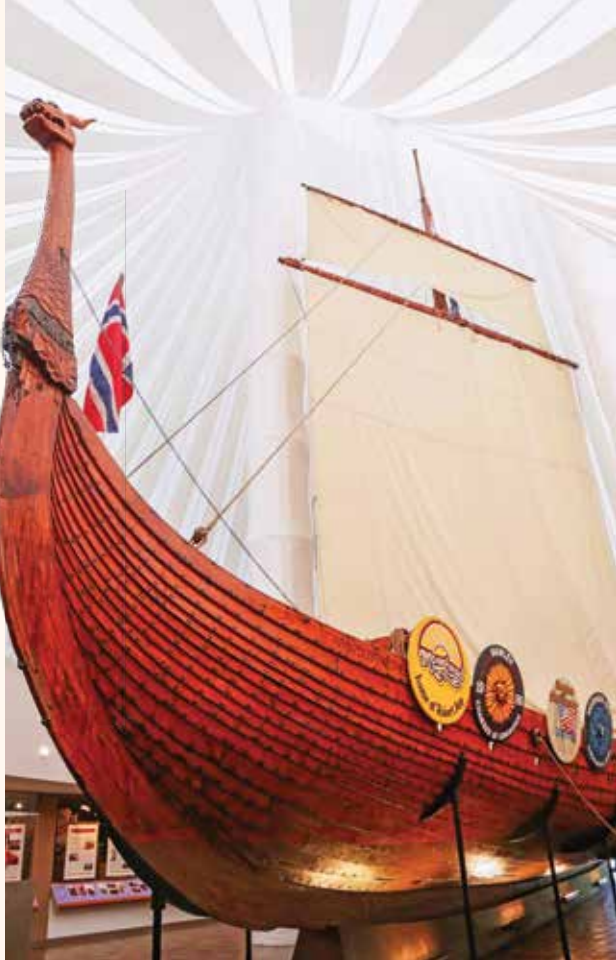

202 1st Ave N, Moorhead

Shaped like a big white tent adjacent to the Red River, the Hjemkomst Center has something special inside: a full-size replica Viking ship.

Immerse yourself in the Hjemkomst ship's story through videos and by wandering around its massive hull. Then, check out the art and local history exhibits in the basement.

The Viking ship isn't the only shrine to the region's Scandinavian culture. Just outside on the banks of the Red River, you'll find the replica Hopperstad Stave Church.

Designed as an exact replica of the Stave church that stands in Vik, Norway, the church was built by a local man, Guy Paulson, and serves as an immersive educational exhibit offering tours every hour where you can step inside and learn the history of the Stave churches in Norway.

## > Rourke Art Gallery + Museum

521 Main Ave, Moorhead

Located in Downtown Moorhead, the Rourke is housed in a beautiful neoclassical building that is now on the National Register of Historic Places.

Curated by a local art aficionado, James Tiernan O'Rourke, the massive permanent collection and rotating exhibits aim to show the art of our time and place.

## > Comstock House

506 8th St S, Moorhead

Built in 1882 by an influential lawyer and businessman, Solomon Comstock, this Victorian home was the most expensive house on the block.

Reserve a guided tour and learn about its incredible residents and life in the early days on the prairie.

## > The Original Moorhead Dairy Queen

24 8th St S, Moorhead

As one of the oldest original stores this Dairy Queen doesn't have to follow all modern franchise rules, meaning you won't find another DQ like this.

Walk up to the counter (open March 1 - October 31) for original DQ treats like Monkey Tails, Mr. Malties, or Chipper Sandwiches.

The famous Dilly Bar was invented at this very location, so try one of these hand-dipped creations while you take a photo with the 16-foot-tall Dilly Bar statue!

## > Roger Maris Museum

3902 13th Ave S, Fargo

Tucked inside West Acres Mall, this Museum pays homage to the great baseball player of the 60s. Watch historic footage in a theater with actual Yankee seats and see many artifacts from Roger's youth and care.

Per his wishes, the museum is accessible and free to all, so stop by and take a peek at the memorabilia whenever the mall is open.

## > Fargo Air Museum

1609 19th Ave N, Fargo

Wander through two hangars full of aircraft ranging from a Wright Brothers' flyer to the Global Hawk unmanned surveillance aircraft. 90% of the planes you'll see inside are still able to fly so you might even see one take to the skies while you're in town.

Wanting to explore on a tour? Step into the past with a veteran docent and hear about which planes they may have flown when they were in the service, or walk it on your own and have the Talking Trails app show you the way.

Interactive displays allow you to read all about the aircraft you're seeing... and some you can even hop inside!

**Fun fact:** The Air Museum is pet-friendly, so feel free to bring your furry friends along.

UPCOMING EVENTS

# FARM to fork HIGHLIGHT

Although Fargo is quite an urban city, there are still agricultural roots in basically everything that we do. Including, but not limited to, the food in our local restaurants. Two new kids on the block stand out when it comes to locally sourced, and Midwestern focused restaurants: Rosewild and 701 Eateries.

## Local Influencer Spotlight

📷 @thefargofoodie

Hi! I'm Emily, otherwise known as The Fargo Foodie! I was born and raised in the Fargo area, but currently kick it in Duluth, Minnesota. Fargo (and it's food) will always hold a special place in my Midwest loving heart!

**1. Brew Bird:** Come for the chicken, stay for the brussel sprouts! There's a reason they're called OMG Sprouts... I dream about that honey mustard glaze!

**2. Vinyl Taco:** The tacos, the margs, the queso, the atmosphere... can't beat it.

**3. Nichole's Fine Pastry:** One of my favorite little cafés for a coffee and pastry, or a quick lunch date. One of Fargo's hidden gems in my opinion!

## > Rosewild

Rosewild is located within the brand-new Jasper Hotel and both the hotel, and the restaurant have consistently kept local makers and growers in mind when creating their business concepts. From the plates (and dog bowls) made by local clay throwers to the local beers they pour you at the bar, everything has fun community touches. And it doesn't stop there, the food is considered "hyperlocal," and the menus are created seasonally to ensure everything is fresh and delectable. Try menu items like the Bison Tartar or the coal-roasted sturgeon or opt for the "Chef's special" which is a family-style meal with a wine pairing that represents the Nordic-plains cooking style.

The space itself feels like a cozy, mid-century modern, Midwestern living room with Prairie Rose wallpaper (North Dakota's state flower) and a hutch full of knickknacks and dishes. The huge fireplace in the lobby helps to encourage the cozy aesthetic with comfortable seating all around while the pillars play homage to the farming community with their silo shape and color. The entire experience is meant to make you feel comfortable yet sophisticated and we think they absolutely nailed it.

## > 701 Eateries

Another fantastic Midwestern restaurant with strong agricultural roots is 701 Eateries. With two separate concepts, 701 Eateries truly has something for any mood. The building was originally built in 1919 as Fargo's Acme Dairy and was recently renovated into this gathering place for all to enjoy each other's company, tell stories, and eat some great food. 701 also sources their foods nearby, for example, the Lefse comes from right here in Fargo, the Bison meat comes from New Rockford, ND, and cheeses used on their Nordic Boards and cheese curds comes from Brooten, MN.

The upstairs rooftop area, Camp Lone Tree, is the perfect spot for happy hour on a summer day. It was named for the owner's family hunting camp located near Harvey, ND. The camp-style vibe and open-air seating brings you back to the good-old days of your youth (but with a cocktail in hand this time). While the upstairs is airy and fun, the downstairs has a mysterious, cozy feel with dark tones and a Nordic spirit you can feel throughout. The Prairie Kitchen concept was born out of the idea that the kitchen is the heart of the home and is where most memories are made and that rings true in this space. Their menu is full of classic Midwestern dishes like relish trays and lefse platters alongside a Bison tenderloin and Smörgåsbord plate that's bound to make you nostalgic.

### 4. Würst Bier Hall:

I ordered the spaetzle mac and cheese once, and haven't looked back. I love to add their locally smoked bratwurst!

5. JL Beers: A burger, fresh crispy fries and a brew. That's all you really need in life! Also love to send and receive beer mail (if you know, you know)!

# BREWERIES

Fargo does not lack craft beverages with a total of 7 local breweries (many of which are regionally and nationally acclaimed for their beer) and a few wineries and cideries mixed in, you'll need to make a weekend out of it to try them all.

## > Crafts and Drafts Passport Itinerary

Sure, Fargo is flat, but the beers are anything but. Grab a Crafts and Drafts Passport and follow this itinerary to get to all the stops (and maybe even the bonus stops) in a two-day period. Then, bring the passport into the Fargo-Moorhead Visitors Center and get your free prize!

### Stop 2: Swing Barrel Brewing Company

One man's dream turned into a Downtown Fargo brewery, DCR Brewing serves a variety of ales, pilsners, and more.

### *Bonus stop:* Proof Artisan Distillers

# FAMILY ITINERARY

DAY

1.

## >MORNING

### Sandy's Donuts

Nothing starts your day off on a good foot like a good donut and Sandy's has great options like dirt and worms and maple bacon long johns.

### Red River Zoo

Meander through exhibits of cold-weather animals like wolves, camels, and takin or stop into the carousel and playground to run off some energy.

### Sweet Dreams Confections

Grab a hand-crafted coffee while your littles peruse through the Pride of Dakota products to find some great souvenirs like homemade fudge, Dots Pretzels, and pay by the pound candies.

## >AFTERNOON

### Spicy Pie

Order pizza by the slice or a pie for the whole family, plus, they have Dippin' Dots for an after meal treat

### Clay Your Way

Next up, stop into Clay Your Way to make some pottery pieces that the staff will then clear glaze and fire so you can take home. Plus, they will ship to you if you don't have time to wait.

### Murals

The last afternoon activity of the day, the murals! There are so many fun murals to see and take photos in Downtown Fargo. Pick up a mural map at the Fargo-Moorhead Visitors Center to find them all.

## >EVENING

### Space Aliens

After your big mural hunt, head to Space Aliens to eat some dinner surrounded by out-of-this-world décor. Space Aliens has some fun arcade games so all your kiddos will be entertained while you enjoy some great BBQ and drinks.

Fargo is a great place to bring the family for a weekend trip, here's a day and a half itinerary to follow next time your family comes to town.

DAY  
**2.**

## >MORNING

### **CJ's Kitchen**

A classic diner will give the kids a small-town café experience with amazing caramel rolls, made-from-scratch baked goods, and other breakfast favorites.

### **Splash Pad/Courts Plus (younger kids)**

Before you get in the car for your drive home, run off some energy at either the Splash Pad or Courts Plus (depending on the weather).

The Shadow Wood Splash Pad has zero depth water with fun spickets spraying water to keep even the youngest kids in the family entertained.

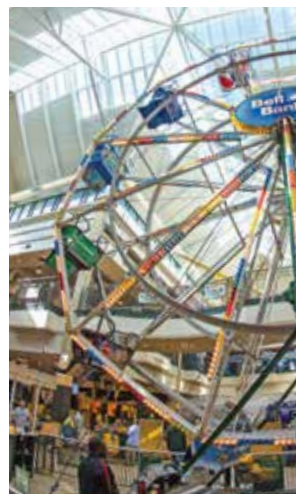

If you're visiting in the winter (or it's raining/cold), opt for Courts Plus for the huge playground of slides, climbing structures, and never-ending obstacles.

### **Thunder Road/Scheels (older teen/tweens)**

For the older kiddos, Thunder Road would be a little more their speed. Laser tag, go-karts, bumper cars, mini golf, and an arcade.

Again, if the weather isn't spectacular, opt to check out Fargo Scheels. One of the largest sporting goods stores that has an indoor

Ferris wheel, golf simulator, multiple arcades, shooting games, and of course, great shopping.

## Top 5 Places to See and Buy Local Art

**1. Unglued Market Place:** Unglued is gift shop that sells works from hundreds of local and regional artists and is my number one all time favorite place to find unique art, gifts, and things I never knew I needed. (You can find my art there as well)

**2. Murals:** Murals have been becoming a larger part of the FM community and I LOVE that. Just taking a stroll through downtown there are at least 6 that I can think of off the top of my head!

**3. Art Events:** Held in restaurants, warehouses, and office buildings, the events are themed or offer a fun evening out for the community and opportunity for local artists to showcase their work. The Art Syndicate and EPIC events are two that I personally have participated in the last year.

**4. Craft Fairs and Markets:** The Mini Makers Market, Unglued Craft Fest Events, The Island Park Art Show, Folkways Night Bazaar and the West Fargo Street Fair are a few that I participated in. Also, Christkindlmarkt, Red River Market, and the Downtown Street Fair.

**5. Museums:** Plains Art Museum and the Rourke are always hosting local shows as well as curating shows with their collections of artwork. In addition to that, the colleges in town have art galleries as well showcasing student work and guest artist shows.

**FMCT**

We caught up with Judy from the FMCT to see what they're up to, here's what we found out

### Tell us a little bit about FMCT

In 1946, a group of like-minded theatre enthusiasts recognized that theatre was a missing piece in the Fargo-Moorhead community and began organizing productions in neighborhood homes, churches, and auditoriums creating the Fargo Moorhead Community Theatre (FMCT).

FMCT's theatrical season hosts up to 12 stage and musical productions where volunteers from the community are the actors. Each year, productions offer up to 400 acting opportunities to area thespians and educational programming provides year-round opportunities for students of all ages.

FMCT is passionate about making theatre accessible to everyone through programming like FMCT ED On the Road, Sensory Friendly performances, rush ticketing, the community stage, and audio description and has grown to become an integral piece of the community for 75 years.

### What lessons did you learn from the pandemic and how was FMCT able to get through it?

We learned how to pivot and to think outside of tradition. COVID forced all arts groups to think creatively about their work. As an organization we take very seriously the "community" in our name.

When the world shut down and children were sent home from school. Parents who

still had to go to work were lost so FMCT hired a certified teacher and developed day camps for students to work on their homework in the morning and play theatre games all afternoon.

We also grew quite a bit in our ability to utilize film in our theatre making. Our 75th anniversary performance of *My Sister Eileen* was completely digital and a lovely piece of theatre. We also produced a completely digital version of *Dragons Love Tacos*, and 168 Fargo classrooms purchased the video and study guide to show in their classes.

### What are you looking forward to the most in 2022?

We're most looking forward to producing our inaugural season at the Hjemkomst Center. As we meet more and more people in Moorhead, we're seeing how excited the community is to have us in the iconic building.

The 2022 season begins on January 21 & 22 and 28 & 29 with our annual 10-Minute play festival which will showcase eight 10-minute plays written by people from all over the world.

#### Other performances:

*Steel Magnolias* goes up February 3-5 and 9-13

*Elephant & Piggie* performs for the public on February 26

*A Few Good Men* opens March 24 - 26 and March 30 - April 3

*9 to 5* runs from May 13 -14, 18 - 21, & 26 - 29

Summer 2022 will bring our educational musical and a chance to take a small troupe of actors to some towns in rural ND - we plan to bring a show to some towns that have no active theatres. It's our hope to mentor these communities to develop community theatre groups of their own.

In October, fans can look forward to a play written by Joseph Zettelmaier called *All Childish Things* that will bring out the Star Wars fan in all of us.

# FIND *Your* CROWD

## > Dancing

Learn to swing dance at a **Fargo Swing Dancing** event (find them on Facebook!). **Arthur's Barn** hosts good ol' fashioned barn dances, or boogie to live bands at **The Windbreak**, **TAK Music Venue** (open to all ages), or the **Downtown VFW**. Or check out **The OB** for a dance club night.

## > Comedy & Open Mic

Your first stop for comedy should be **The Cellar**, Fargo's only dedicated comedy club, in the basement of **Front Street Taproom** (which hosts open mic music, poetry, and comedy every Monday).

Thursdays, you'll find open mic poetry at **Red Raven Espresso Parlor** (open to all ages) and open mic comedy and music at **Dempsey's** or **DCR Brewing**.

## > Dives

Fargo's oldest bar, **Bismarck Tavern**, has Grain Belt on tap (enough said). Next door another oldie-but-goodie, **Empire Tavern**, makes notoriously stiff drinks. **Duffy's** – Fargo's original Irish bar – is a 50-year-old staple.

Outside Downtown, **Rick's Bar** and **Speck's Bar** always have live bands and locals playing pool. In West Fargo, you'll find the same at **M & J Saloon**, **Town Hall**, and the biker bar, **Silver Dollar**. For Moorhead's classic dives, head to **Mick's Office** and **JC Chumley's**.

**Legends** offers free shuttle rides to NDSU tailgating, all-day happy hour on Sundays, and plenty of screens. **Sidestreet** has plenty of room to watch the game while you play pool. At **Sports Zone** the name says it all, really.

## > Beer Drinkers

**Sidestreet** pours from 50 taps, while **JL Beers** – voted "best beer drinking spot in North Dakota" – serves national and global pints. Don't forget Fargo's seven craft breweries (pg. 16).

Get Midwestern and order a light beer with a pickle or green olives in it.

## > Cocktails

Some of the city's best cocktails are mixed during happy hour at **Mezzaluna**. Sip tasty martinis at the Rosewild or a fantastic mule on the rooftop at **Camp Lone Tree**.

A Moorhead favorite, **Harold's On Main**, pours tasty and original creations in their cozy, TV-less setting, while **Maxwell's** in West Fargo make what we can only call dang good cocktails in upscale settings.

# THE Lights

One of the area's newest event plazas, **The Lights**, has come to West Fargo for community members and visitors alike to enjoy. Located on Sheyenne Street and 32nd Avenue in West Fargo, check it out for the events and things to do no matter what the season is.

## >Event plaza

Concerts at the Essentia Health Plaza take place throughout the summer. Last year, acts like Kip Moore and Old Crow Medical Show took the stage as well as the Chutes n' Boots Bull Riding event. Plus, local musical talents also play at the plaza throughout the week.

If you're looking for something for the whole family, events like Kidchella and movie nights on the plaza are perfect for the kids as well as the splashpad that helps to cool them off throughout the summer.

Other outdoor events in the plaza include yoga on the lawn and picnics on the plaza where you can get active with other yogis or enjoy a lunch with your pals on the lawn. Plus, West Fargo Events hosts camp out family fun nights where the kids can learn camping basics like casting lessons, archery, and axe throwing while they enjoy some yummy s'mores.

## >Ice rink

Open skate and open hockey events happen throughout the entire season as well, and the rink even turns green for St. Patrick's Day!

## >Other things to do at The Lights

Besides the Plaza, there are some great local businesses that you can enjoy if you're heading this way. **Bar Down** is a hockey-themed bar located right outside of the plaza and has great bar food, drinks, and daily specials. **Moxie Java** coffee is a local coffee shop located right within the Lights as well, they are perfect for a morning pick me up or a warm cocoa after you get off the rink.

**1. Rough Cut Social:** If you're looking for a fun new activity that's even more fun with a group, try axe throwing! They have beer, hammerschlagen, giant Jenga, and tournament games you can play with your friends. You can even join their throwing league! Rough Cut is also in the same building as Pixeled Brewing, so you can hit the arcade games after.

**2. Sunset Lanes:** I love Sunset Lanes in Moorhead because it's newly updated, less crowded, has a bar with great drink specials and they've got a full-blown adult arcade upstairs that you can win prizes at.

**3. The Aquarium:** The Aquarium is my favorite place to see live music in town, not to mention you can always swing downstairs to check out what's going on at Dempsey's as well. My favorite drink to order is an Old Style on tap with a pickle in it.

**4. 701 Eateries:** 701 has quickly become one of my favorite new places in town, especially during the summer nights. They've got a great rooftop patio with lawn games and killer bar food. And if you're feeling like a nicer meal, you can check out the restaurant on the lower level.

**5. Harold's:** Harold's has a great dark, moody vibe that's fun year-round. I love the patio and tiki bar in the summertime, and they've got some of the best house cocktails in town. You also can't go wrong with Wednesday night karaoke and their iconic bathrooms!
