

**We're  
Counting  
On You!**

NORTH  
**Dakota**  
Be Legendary.™

**Do you spend  
51%  
of the year  
in ND?**

Even if you spend winters elsewhere, you need to be counted in the census if you spend most of your time in North Dakota. By being counted, you direct federal funds to our state for future generations – supporting education, health care, infrastructure and more.
